Intake: Autumn 2026

INTRODUCTION
学院简介

云南农业大学创办于 1938 年，是省部共建高校，涵盖本、硕、博完整培养体系，学科多元、师资力量雄厚、国际合作经验丰富。英国伍尔弗汉普顿大学于1827年建校，是英国第五大公立大学，中英首批学历互认院校，在工程教育领域具备深厚的国际影响力。两校此前已积累了三十多年坚实的合作基础，已经开展了土木工程（土木与环境工程）和体育教育（足球教练与竞技）本科层次合作办学项目。

Founded in 1938, Yunnan Agricultural University is a key provincial university jointly supported by national and provincial authorities. It offers a comprehensive education system spanning bachelor's, master's, and doctoral programs across a wide range of disciplines.
The University of Wolverhampton, United Kingdom, established in 1827, is a well-established public university with a strong reputation for applied teaching and research.
The two universities have built a strong partnership spanning more than 30 years. Through this collaboration, they have jointly delivered undergraduate programs in Civil Engineering (Civil and Environmental Engineering) and Physical Education (Football Coaching and Performance), fostering academic exchange and cultivating globally competitive graduates.

云南农业大学伍尔弗汉普顿大学农业工程学院于2025年12月31日由教育部批准设立（设立批准号：MOE53UKA02DNR20252596N），是由云南农业大学与英国伍尔弗汉普顿大学联合创办的中外合作办学机构，聚焦农业工程领域的前沿方向，致力于培养具备扎实专业功底、国际交流能力与创新实践能力的高层次人才。学院依托两校优势学科资源，构建了融合中英教育理念的培养体系，课程设置既涵盖农业工程核心知识，又引入伍尔弗汉普顿大学的优质课程资源，部分核心课程采用双语或全英文授课模式，保障教学质量与国际接轨。学院招生覆盖本科、硕士、博士三个层次，师资队伍由两校骨干教师共同组建。汇聚了中外双方在农业工程、人工智能、项目管理等领域的优秀教师，以及专业的国际化教学管理团队。目前，获批的中外合作办学专业包括两个本科专业（机械设计制造及其自动化和人工智能）、两个硕士专业（项目管理和人工智能）、一个博士专业（建成环境）。在办的土木工程和体育教育两个本科专业也并入该学院管理。

The Wolverhampton University Institute of Agricultural Engineering of Yunnan Agricultural University (YAU–UoWIAE) was officially approved by the Ministry of Education of China on 31 December 2025 (Approval No.: MOE53UKA02DNR20252596N). As a Chinese–foreign cooperative educational institution jointly established by Yunnan Agricultural University and the University of Wolverhampton, UK, the Institute focuses on cutting-edge areas of agricultural engineering and is committed to cultivating high-level professionals with strong disciplinary expertise, international communication skills, and innovative practical abilities. The Institute has developed a distinctive training system that integrates Chinese and British educational philosophies. The curriculum covers the core knowledge of agricultural engineering while incorporating high-quality courses from the University of Wolverhampton. Selected core courses are delivered in bilingual or full English formats to ensure that teaching quality meets international standards.

The Institute offers programs at the bachelor's, master's, and doctoral levels. Its faculty comprises outstanding academics from both partner universities, bringing together distinguished Chinese and international scholars in agricultural engineering, artificial intelligence, project management, and related fields, supported by a professional international teaching and management team.

The currently approved Chinese–foreign cooperative education programs include:

- Undergraduate Programs (2): Mechanical Engineering; Cyber Security
- Master's Programs (2): Project Management; Artificial Intelligence
- Doctoral Program (1): Built Environment

In addition, the existing undergraduate programs in Civil Engineering and Physical Education are also administered under the Institute.

ADMISSION TYPES, TARGET APPLICANTS AND ENROLMENT PLAN
招生类型、对象、计划

(一) 招生类型和对象 Admissions Types

1. 招生类型 Admission Types

学院硕士研究生采用自主招生模式，招生标准严格遵循“不低于英国伍尔弗汉普顿大学同类专业在英国本土的招生标准”的原则，在申请人达到项目入学条件的前提下，学院将按照申请时间先后顺序择优录取。

The Institute adopts an independent admissions model for postgraduate students. Admission standards follow the principle that they are not lower than those applied to equivalent programmes offered by the University of Wolverhampton at its UK campus. Provided that applicants meet the programme entry requirements, the Institute will recruit outstanding candidates on a rolling basis in the order of application submission.

2.招生对象 Admission Targets

学院面向中国（含港澳台地区）境内外所有学生招生。

The Institute recruits students from all regions at home and abroad, including Hong Kong, Macao and Taiwan of China.

(二) 招生计划 Enrollment Plan

1. 项目管理专业：70人。
2. 人工智能专业：70人。

1.Project Management: 70 students.

2. Artificial Intelligence: 70 students.
